Print on demand books Shutterstock images may be used for print on demand publications. This includes: Books that you order to be published in small numbers. Books that exist as digital files and are published when the customer orders a copy. The Enhanced License allows for unlimited numbers. The Standard License allows for 500,000 reproductions; the Enhanced License covers unlimited numbers of copies. Print on Demand Merchandise Shutterstock images can be used on Print on Demand Merchandise under the Enhanced License. Images hand-picked for you. Check out our Enhanced License plans, which exp Which makes learning how to publish a book way more difficult. Not to mention the fact that going through all that work to just land an agent isn't necessary if you want to publish a book. What's worse is even if they do open it, it's still unlikely that your book will be published and sold in bookstores! *Cue the groans and grumbles of irritation*. So is there a better method? Yes! It's called self-publishing, and as a 6-time bestselling author who's broken down my system in our Become a Bestseller program, I'm here to go over how to publish a book. Here's how to publish a book step-by-step:
