Fashion marketing is the process of managing the flow of merchandise from the initial selection of designs to be produced to the presentation of products to retail customers, with the goal of maximizing a company's sales and profitability. Successful. Once the clothes have been designed and manufactured, they need to be sold. But how are clothes to get from the manufacturer to the customer? The business of buying clothes from manufacturers and selling them to customers is known as retail. Retailers make initial purchases for resale three to six months before the customer is able to buy the clothes in-store. fashion retail Customers shopping for clothing at a retail store.
