exhibition" exhibition, show, exhibit, exposition, fair are comparable when meaning a public display of objects of interest. Exhibition and, less often in strictly formal use except in art circles, show are applicable to any such display of objects of art, New Dictionary of Synonyms. group noun ADJECTIVE big, large, wide She has a very wide group of friends. little, select, small The Touring Exhibitions Group (TEG) is a professional membership association in the United Kingdom. Its members are mainly staff in museums, galleries and other public sector organisations who are involved in the exchange of exhibitions, whether as organisers or venues, or both. It was set up in 1985, following the closure of the Victoria & Albert Museum's Circulation Department. TEG itself does not organise exhibitions or administer tours, but helps its members to do so. "21st Annual Anniversary Exhibition 1937," The Society of Independent Artists, New York, April 2 - 25, 1937. "De Young Museum Annual," De Young Museum, San Francisco, 1937. 1940. "The Forty-fourth Annual Exhibition by Artists of Chicago and Vicinity," The Art Institute of Chicago, Chicago, March 14 - April 14, 1940.
