The following outline is provided as an overview of and topical guide to commercial law: Commercial law is a body of law that governs business and commercial transactions. It is often considered to be a branch of civil law and deals with issues of both private law and public law. It is also called business law. Commercial law can be described as all of the following: Branch of law is a system of rules and guidelines which are enforced through social institutions to govern behavior, wherever possible. An LL.M. in Business / Commercial Law is one of the most popular options available for law students today. In short, LL.M. programs in Business Law or Commercial law focus on various aspects of business, from finance and the sale and distribution of goods or services to other issues like mergers & acquisitions and corporate governance. As such, an LL.M. in Business or Commercial Law will include a huge range of classes. A typical LL.M. in Business law, for example, might cover topics such as contract law, income tax, employment law, trade regulations, shareholder issues, and more. An LL.M. Commercial Law is a broad term for a range of legal services designed to support businesses in making money from their products and services. For example, Intellectual Property (IP) rights are crucial for creative industries and manufacturers to profit from innovation, sales on a domestic and international basis need contracts, and agency or distribution agreements can be made to sell the good or services more widely. What does a commercial lawyer do? Commercial lawyers will tend to have a specialist practice area (e.g. Intellectual Property) or industry focus (e.g. Technology, Media & Tel

COMMERCIAL LAW (No. 36/2005/QH11) Pursuant to Article 103 and Article 106 of the 1992 Constitution of the Socialist Republic of Vietnam, which was amended and supplemented under Resolution No. 51/2001/QH10 of 25 December, 2001, of the X. th. National Assembly, the 10. th. Article 7.- Obligation of traders to register business Traders are obliged to register their business according to the provisions of law. Where traders have not yet registered their business, they are still held responsible for all of their activities according to the provisions of this Law and other provisions of law. Article 8.- Agencies in charge of state management over commercial activities 1. The Government performs the unified state management over commercial activities. Business law and commercial law are two areas of legal practice that have so many overlapping issues that most attorneys who practice one will also have expertise in the other. Commercial law focuses on the sale and distribution of goods, as well as financing of certain transactions. Business law focuses on the other aspects of business, including forming a company, mergers and acquisitions, shareholder rights, and property issues such as leasing office or warehouse space. A business that sells products will almost certainly need a lawyer with experience in both of these fields. Business law i Commercial law, also known as mercantile law or trade law, is the body of law that applies to the rights, relations, and conduct of persons and businesses engaged in commerce, merchandising, trade, and sales. It is often considered to be a branch of civil law and deals with issues of both private law and public law. Commercial law includes within its compass such titles as principal and agent; carriage by land and sea; merchant shipping; guarantee; marine, fire, life, and accident insurance; bills of
