Book synopsis

«Arbitration Interactive» combines the traditional casebook with modern DVD technology. In the book, the reader is guided through the business relationship between a Dutch and a Swiss company, from the negotiations of the export contract over the commencement of an international arbitration, the appointment and challenge of arbitrators, the jurisdiction of the arbitral tribunal, the conduct of the hearings, including the taking of evidence (hearing of witnesses, documentary discovery) up to the setting aside and enforcement of the final award. The enclosed DVD contains videos of the hearings described in the book conducted by renowned international arbitration practitioners as well as various working aids and other relevant materials.

Contents

Contents: Interactive case study on international commercial arbitration with DVD – The DVD contains videos of the hearings of the international arbitration described in the book.

@inproceedings{Mell2016IAGOIA, title={IAGO: Interactive Arbitration Guide Online (Demonstration)}, author={Johnathan Mell and Jonathan Gratch}, booktitle={AAMAS}, year={2016} }. Johnathan Mell, Jonathan Gratch. Published in AAMAS 2016. Arbitration, a form of alternative dispute resolution (ADR), is a way to resolve disputes outside the courts. The dispute will be decided by one or more persons (the 'arbitrators', 'arbiters' or 'arbitral tribunal'), which renders the 'arbitration award'. An arbitration award is legally binding on both sides and enforceable in the courts. Arbitration is often used for the resolution of commercial disputes, particularly in the context of international commercial transactions. In certain countries such
