Perhaps the most symbolically potent strategy used to alienate residential school children was addressing them by assigned numbers only not by the names with which they knew and understood themselves. In this frank and poignant memoir of her years at St. Joseph's Mission, Sellars breaks her silence about the residential school's lasting effects on her and her family from substance abuse to suicide attempts and eloquently articulates her own path to healing. Number One comes at a time of recognition by governments and society at large that only through knowing the truth about these past in
