Essays are a big part of any student's life. Whether you like it or not, you will have to write some essays at one point. In fact, writing an essay might help you win a contest or even a scholarship, so it is important that you learn the convention of essays. Here are some elementary things that you should know about essay before you begin writing one. These tips should help you write a proper essay that respects all the rules. Make sure that you have all the necessary parts. All essays have the exact same structure. General Essay Writing Tips. Despite the fact that, as Shakespeare said, "the pen is mightier than the sword," the pen itself is not enough to make an effective writer. In fact, though we may all like to think of ourselves as the next Shakespeare, inspiration alone is not the key to effective essay writing. You see, the conventions of English essays are more formulaic than you might think " and, in many ways, it can be as simple as counting to five. The Five Paragraph Essay.
