Reviews of *The Fragrant Garden: A Book About Sweet Scented Flowers and Leaves*. Book Profile. Author (1): Louise Beebe Wilder. Softcopy edition: Publish date: January 1974 Published by: Dover Publications List price: \$8.95 ISBN Number: 0486230716. Categories: Fragrant Flowers. Soft-cover. Of course all the "usual" fragrant flowers are discussed in great detail as well - roses, scented geraniums & such. 22 chapters/topics in all, including one on "Plants of Evil Odour"(!) No photos or drawings, just solid words, words, words. But what wonderful words! On my second copy; the first is in tatters. And I can't believe I'm only the first to rate this book on this forum.
